

THS IB/MYP Honor Code

I am aware that my participation in any act of plagiarism, cheating, or unethical academic behavior will result in appropriate consequences. The minimum consequence will entail a zero for that particular assignment (which cannot be made up.) Further disciplinary action will follow Thornton High School's discipline matrix (which may include suspension.) Additional consequences may include expulsion from Thornton High School's IB/MYP program. I understand what is meant by the above terms, and realize that it is my responsibility to seek clarification if I am unsure of proper ethical procedure. [Further clarification specific to the International Baccalaureate Organization's position on academic infringements can be found in the General Regulations for the Diploma (Section VII D & E) and General Regulations for the MYP (Section VI C), both available on the THS IB website (www.ib.adams12.org).]
